Old Mother Hubbard
To fetch her poor dog a bone;
But when she got there
The cupboard was bare.
And so the poor dog had none.

Old Mother Hubbard
Went to the cupboard,
but the doors will open.
Glue the shelf part on to the back. Duplicating two cabinets can be cut all the way around, except for the hinges, so the doors will open. Leave the shelves right side up.

(Special Directions for "Old Mother Hubbard": The cupboard was made so the lines of the doors can be cut all the way around, except for the hinges, so the doors will open. Glue the shelf part on to the back. Duplicating two cabinets can be cut all the way around, except for the hinges, so the doors will open. Leave the shelves right side up. Leave the bottom tab on the top one, turn the other one upside down and glue it to the tab space. Leave the shelves right side up.)
Glue to back of cabinet doors, matching bottoms.
