

Questioning Activity

Close-Ended Questions

Did you hit him?

Are we going to do that again?

Next time, talk with me, okay?

Do we hit our friends?

Should you always get first choice?

Will acting like that help?

Will that be a good solution?

Don't you want to learn patience?

Open-Ended Questions

Tell me what happened?

How is he looking right now?

What can you do the next time?

What are other ways to solve this problem?

What is the problem with someone always getting to choose first?

What is a good way to handle this problem?

What will happen if you choose that way to solve the problem?
